DISCOVERY TOYS PLAY ADVISORS PLAY FOR A LIVING!

You can too! Hear from two of our Top Reps in 2022!

Julie Lightfoot, US
 #1 in US in Quarter 4 2022

I joined Discovery Toys because I wanted all the toys for my kids. As a stay at home Mom I realized the best way for me to get them was as a Play Advisor. I found that working with Discovery Toys brought me so much more!

It was a way for me to meet other women who had similar values – helping kids. It was a way for me to use my brain and have something that I could control. I was the boss! I could be Mom when I needed to be Mom, and I could kick it into gear and earn additional income that has allowed our family with 4 kids to live the lifestyle we want!

Jennifer Ky, CAN
 #1 in Canada in Quarter 4 2022

Wow I've been selling toys for over a decade?! I started when my maternity leave was just ending, and I wasn't ready to go back to my teaching career.

Now I am packing for an all-inclusive resort in Punta Cana, Dominican Republic paid for by Discovery Toys.... I think this is my 11th trip with the company!

The flexibility to make an income around my family's schedule is why I started, and why I continue over a decade later.
